

Notices of Determination 2001

- **Liverpool to Parramatta Rapid Bus Transitway**
- **Approved:** 14 December 2001
- **Description:** The transitway is a major \$200 million transport infrastructure project funded by the NSW Government and jointly undertaken by the Roads and Traffic Authority (RTA) and the Department of Transport (DoT). It will provide 21 kilometres of a two lane bus only roadway of which 21 kilometres will be on new roadway. Thirty-five transitway stations along the route will service communities. Combined or separate cycleways are provided over the majority of the route outside the CBD areas.
- **LGA:** Liverpool, Fairfield, Holroyd and Parramatta
- **Value:** \$200 million
- **Details:** Copy of the [notice of Minister's consent](#) and [assessment report](#) (pdf file).
- **CBD Electricity Cable**
- **Approved:** 21 December 2001
- **Description:** Sydney CBD & Inner Suburbs 132 kV Cable Project. Involves the construction and operation of 132 kV electricity cables, from the Haymarket to Surry Hills. The cables will be located in a tunnel, to be built as part of the project. The proponent is EnergyAustralia.
- **LGA:** located in the Sydney and South Sydney Council areas
- **Value:** \$55 million
- **Details:** Copy of the [notice of Minister's consent](#), [conditions](#) (pdf file) and [assessment report](#) (828 KB pdf file).
- **Great Western Highway Upgrade at Little Hartley**
- **Approved:** 14 December 2001
- **Description:** The Roads and Traffic Authority propose to upgrade the Great Western Highway between Victoria Pass and Mid Hartley Road, 16 km east of Lithgow. The proposal forms part of the Great Western Highway Upgrade Program and has been developed to improve travel efficiency. The Department's assessment of the proposal has concluded that following the existing highway alignment would be superior in terms of economic, social and environmental impacts to the RTA's preferred option which included a deviation at Little Hartley. The RTA supports this recommendation and will be required to upgrade the highway along the existing alignment as a Condition of the Minister's Approval.
- **LGA:** Greater Lithgow
- **Value:** \$15.8 million
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file), [assessment report](#) (pdf file) and [conditions](#) (pdf file).
- **Beltana No.1 Underground Coal Mine**
- **Approved:** 18 December 2001
- **Description:** Bulga Coal Pty Limited has been granted approval to mine up to 6 million tonnes of coal per annum with a mine life of between 6 to 10 years. The proposal involves the extraction of a coal through a sequence of 8 long-wall panels, which are to be located to the west of the current Bulga open cut mining operation. An existing road will provide access to the associated surface facilities. Access facilities to the underground workings for personnel and materials will be established in the existing Whybrow Pit.
- **LGA:** Singleton
- **Value:** \$24 million
- **Jobs:** Continued employment opportunities for 130 people.
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Berowra Waters Marinas**
- **Approved:** 20 December 2001
- **Description:** Three development applications for the upgrade and redevelopment of three marinas at Berowra Waters, and the construction and use of a car park at Berrilee.
- **LGA:** Hornsby
- **Details:** Copy of the:
Berowra Waters Marina - [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
Boatshed Marina - [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
Cruisecraft Marina - [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
Car Park at Berrilee - [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **St George Motor Club, San Souci**
- **Approved:** 23 November 2001
- **Description:** A proposal to upgrade the marina facilities at the St. George Motor Boat Club Marina, Sans Souci.
- **LGA:** Kogarah
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Dendrobium Underground Coal Mine Project**

- **Approved:** 20 November 2001
- **Description:** Consent has been granted to Stage 1 for the mine to undertake underground coal mining, and construction and operation of associated surface facilities. The mine will extract some 5.2 million tonnes of No.3 Seam coal over a 21 year period to supply the local Port Kembla Steelworks and overseas markets.
- **LGA:** Wollongong, Wollondilly and Windgecarribee
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file), [assessment report Part 1](#) (pdf file), [assessment report Part 2](#) (pdf file), [Schedule A assessment process flowchart](#) (pdf file) and the [Schedule A flowchart](#) (pdf file).
- **Penrith STP Amplification and Glenbrook Waste Water Transfer**
- **Approved:** 12 November 2001
- **Description:** Amplification of Penrith STP to 31 ML/day to cater for growth in the Penrith sewage catchment and to allow for the decommissioning of the Glenbrook STP. Sewage from the Glenbrook catchment would be transferred to Penrith STP via the construction of a new pipeline.
- **LGA:** City of Blue Mountains, Penrith City Council
- **Value:** \$32.4 million
- **Details:** Copy of the [notice of Minister's conditions of approval](#) (pdf file) and the [assessment report](#) (pdf file)
- **Sodium Chlorate Plant, Sterling Pulp Chemicals Ltd**
- **Approved:** 12 November 2001
- **Description:** A proposal by Sterling Pulp Chemicals Ltd to construct and operate a sodium chlorate plant, near the Bayswater Power. The plant will produce up to 60,000 tonnes per annum of sodium chlorate from water and salt, through an electrolytic process.
- **LGA:** Muswellbrook
- **Value:** \$95 million
- **Jobs:** 120 construction, 35 operation
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file)
- **Chullora Freight Terminal**
- **Approved:** 9 November 2001
- **Description:** A proposal to undertake alterations and additions to the Chullora Freight Terminal.
- **LGA:** Bankstown
- **Details:** Copy of the [notice of Minister's consent](#) (pdf file) and [assessment report](#) (pdf file)
- **Shell Cove Boatharbour/Marina development**
- **Approved:** 9 November 2001
- **Description:** Consent has been granted to modify the development consent held by Shellharbour City Council for the Shell Cove Boatharbour/Marina development. The modification of the consent allows the proposed earthen bunds along the Bass Point quarry haul road to be substituted with concrete acoustic barriers.
- **LGA:** Shellharbour
- **Details:** Copy of the [notice of approval](#) (pdf file) and [assessment report](#) (pdf file)
- **Highway Link Between the F3 and Branxton**
- **Approved:** 7 November 2001
- **Description:** A proposal by the NSW Roads and Traffic Authority to construct a new four lane dual carriageway highway to extend in a north-westerly direction for approximately 39.5 kilometres from the F3 Freeway near Seahampton to the New England Highway west of Branxton.
- **LGA:** Cessnock City Council, Lake Macquarie City Council, Maitland City Council, and Singleton Shire Council
- **Details:** Copy of the [notice of approval](#) (pdf file), [conditions](#) (pdf file), [assessment report](#) (pdf file), [Appendix A](#) (pdf file) and [Appendix B](#) (pdf file).
- **Slimes Leaching Plant Modification, Military Rd, Port Kembla**
- **Approved:** 2 November 2001
- **Description:** A proposal by Port Kembla Copper to modify the existing consent for a copper smelter and refinery on Military Road, Port Kembla, in accordance with section 96(2) of the Environmental Planning and Assessment Act 1979. The modification involves the construction and operation of a slimes leaching plant for the recovery of copper from slimes generated as a byproduct of the electrowinning process.
- **LGA:** Wollongong
- **Details:** Copy of the [notice of modification](#) (pdf file) and the [consolidated instrument](#) (pdf file).
- **Intermittent Tail Gas Scrubber Modification, Military Rd, Port Kembla**
- **Approved:** 2 November 2001
- **Description:** A proposal by Port Kembla Copper to modify the existing consent for a copper smelter and refinery on Military Road, Port Kembla, in accordance with section 96(1A) of the Environmental Planning and Assessment Act 1979. The modification involves the construction and operation of an intermittent tail gas scrubber to address exceedences of ambient sulfur dioxide limits during certain meteorological conditions.
- **LGA:** Wollongong

- **Details:** Copy of the [notice of modification](#) (pdf file) and the [consolidated instrument](#) (pdf file).
- **Water Police Facility, Camerons Cove, Balmain**
- **Approved:** 8 October 2001
- **Description:** A two-storey administration building; a hardstand area for boat storage and vehicle turning; storage sheds; an eleven berth marina for police vessels; foreshore open space; remediation; and subdivision to allow dedication of open space to Leichhardt Council. The facility would operate 24 hours a day, 7 days a week.
- **Details:** Copy of the [Minister's consent](#) (pdf file).
- **Cross City Tunnel, Kings Cross to Darling Harbour**
- **Approved:** 3 October 2001
- **Description:** The RTA's proposed Cross City Tunnel (CCT) is a major \$400M road infrastructure project recognised in the Government's Action for Transport 2010 to be of significance to the economy, environment and planning of Sydney and New South Wales. Key features of the proposal include a 2-kilometre tunnel generally running east/west below William/Park and Druitt Streets, connecting the Kings Cross tunnel with the Western Distributor. New connections are also proposed at the Eastern Distributor and at Sir John Young Crescent. A new, 39-metre high tunnel emissions ventilation stack is proposed in Darling Harbour located near to the IMAX theatre. Traffic would be tolled electronically in each direction - \$2.50 for the main tunnel and \$1.10 for traffic exiting to Sir John Young Crescent.
- **LGA:** South Sydney City Council, Council of the City of Sydney
- **Value:** \$400 Million
- **Details:** Copy of the [Minister's consent](#) (pdf file), [conditions](#) and [assessment report](#) (pdf file).
- **Food Processing Plant, Goodman Fielder Ltd, Kingsgrove**
- **Approved:** 4 October 2001
- **Description:** A proposal to upgrade and expand the food processing facilities at the existing Kingsgrove site. The proposal involves the expansion of the existing building to allow for the installation of an additional 24 silos and a product mixing tower, and the construction of a new car parking area.
- **LGA:** Hurstville
- **Value:** \$20.5 million
- **Jobs:** 40-50 new jobs
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Coalcliff, Stanwell Park, Stanwell Tops and Otford Sewerage**
- **Approved:** 2 October 2001
- **Description:** Construction by Sydney Water of a reticulated sewerage scheme for Coalcliff, Stanwell Park, Stanwell Tops and Otford (also known collectively as the Northern Towers) in the Wollongong City Council area. The scheme includes sewage collection and transfer via a series of pumping stations, pipelines and raising mains to Helensburgh, thence to the Cronulla Sewerage Treatment Plant for sewage treatment.
- **LGA:** Wollongong City Council
- **Value:** \$16.92 million
- **Jobs:** 60 during construction (estimated to take 18 months)
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Warkworth/ Mt Thorley Modification**
- **Approved:** 28 September 2001
- **Description:** Coal & Allied Operations Pty Limited (Coal & Allied) have been granted consent to modify Conditions of Consent to allow for the construction and use of a private haul road to transport coal between the existing Warkworth Mine and Mount Thorley Operations (MTO). This will enable traffic from Warkworth Mine to continue either south to the MTO Coal Preparation Plant (CPP) or veer east to the Mount Thorley Coal Loader (MTCL).
- **LGA:** Singleton
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Birkenhead Point Marina, Roseby Street, Drummoyne**
- **Approved:** 26 September 2001
- **Description:** A proposal to repair and refurbish the existing Birkenhead Point Marina on Roseby Street, Drummoyne, in the City of Canada Bay. The proposal involves the repair and refurbishment of the existing breakwaters, pontoons, access gangways, piles and marina services.
- **LGA:** Drummoyne
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).
- **Aluminium Dross Recycling Facility, Kurri Kurri**
- **Approved:** 20 September 2001
- **Description:** A proposal to construct and operate additions to an existing dross recycling plant. The proposal

involves the installation of new storage areas and equipment to improve the efficiency of the site, increase production capacity and diversify the range of products generated at the existing development.

- **LGA:**Cessnock
- **Value:**\$28 million
- **Jobs:** 60 construction, 40 operation, 20 maintained
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [assessment report](#) (pdf file).

▪ **Dartbrook Underground Coal Mine**

- **Approved:** 28 August 2001
- **Description:** A proposal to extend the existing operations at Dartbrook Underground Coal Mine. The extension includes an increase in the coal production rate, extension of the longwall mining area, expansion of the existing rejects emplacement area, construction of additional surface facilities and transport of coal via road for an initial period of up to 18 months.
- **LGA:** Muswellbrook Shire and Scone Shire
- **Value:**\$57.5 million
- **Jobs:**Continued employment of Dartbrook Mine's workforce.
- **Details:** Copy of the [Minister's consent](#) (pdf file), [assessment report](#) (pdf file), [Schedule C](#) (pdf file) and [Appendix 1](#)(pdf file).

▪ **Mandalong Mine, Lake Macquarie**

- **Approved:** 29 August 2001
- **Description:** Modification to clarify the timing of consultation with property owners potentially affected by subsidence, and to formalise arrangements for preparing plans that describe the specific impacts on each property referred to in these conditions.
- **LGA:** Lake Macquarie
- **Details:** Copy of the [notice of modification](#) (pdf file) and the [assessment report](#) (pdf file).

▪ **Commercial Snapper Farm, Pisces Marine Aquaculture, Providence Bay**

- **Approved:** 6 August 2001
- **Description:**The Minister for Planning has approved the first commercial off-shore fish farm in NSW. The proposal involves establishing a 30 hectare snapper farm on Providence Bay at the entrance to Port Stephens, about 3km east of Hawk's Nest, with associated land-based facilities in the industrial area at Oyster Cove. The snapper farm is expected to generate 30 jobs, and produce about 500 tonnes - or about \$ 5 million worth - of snapper a year.
- **LGA:** Port Stephens
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file)

▪ **Tomago Aluminium Smelter, Port Stephens**

- **Approved:** 23 August 2001
- **Description:**The approval allows Tomago to increase the capacity of the smelter from 440,000 to 530,000 tonnes a year by 2007. The proposed upgrade is expected to cost \$200 million.
- **LGA:** Port Stephens
- **Value:** Up to \$215 million in additional export income
- **Jobs:** Up to 300 construction jobs
- **Details:** Copy of the [notice of modification - 1981](#) (pdf file), [notice of modification - 1991](#) (pdf file) and the [assessment report](#) (pdf file).

▪ **Waste Gas Cleaning Plant, BHP Steelworks, Port Kembla**

- **Approved:** 1 August 2001
- **Description:**The construction and operation of a waste gas cleaning plant to reduce waste stack gas emissions from the existing Sinter Plant on the BHP Steelworks, Port Kembla.
- **LGA:** Wollongong
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).

▪ **Bowens Road North Open Cut Coal Mine**

- **Approved:** 25 July 2001
- **Description:** A proposal by Stratford Coal Pty Ltd to develop an open cut coal mine, adjacent to the existing Stratford Coal Mine.
- **LGA:** Gloucester
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file), and [Schedule A](#) (pdf) and [Schedule B](#) (pdf).

▪ **Marina modification, Dolans Bay**

- **Approved:** 27 July 2001
- **Description:** A proposal by H & J Standen Pty Ltd to modify the Dolans Bay marina in order to increase the number

of berths from 20 to 29, and to relinquish 9 swing moorings.

- **LGA:** Sutherland
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Oaks, Oakdale and Belimbla Sewerage Scheme**
- **Approved:** 23 July 2001
- **Description:** A proposal by Sydney Water to construct a reticulation sewerage scheme for The Oaks, Oakdale, and Belimbla Park areas.
- **LGA:** Wollondilly and Camden
- **Value:** \$26.5 million
- **Jobs:** Approx. 100
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Warehouse and distribution centre, Homebush West**
- **Approved:** 23 July 2001
- **Description:** A request by Macquarie Goodman Development Management Pty Ltd to develop Stage 2 of a major integrated warehouse, storage and distribution facility at the old Ford site. The original proposal was approved by the Minister in August 1996.
- **Location:** 350-374 Parramatta Road, Homebush West
- **LGA:** Strathfield
- **Value:** Estimate \$6 million
- **Jobs:** Approx. 100
- **Details:** Copy of the [Minister's consent](#) (pdf file), the [assessment report](#) (pdf file) and approval of a minor [modification](#) of the original consent (pdf file).
- **Kurri Kurri wastewater treatment works**
- **Approved:** 23 July 2001
- **Description:** A proposal by Hunter Water Corporation to construct an advanced sewage treatment plant with more capacity, and capable of producing higher quality effluent. This is to be built adjacent to the existing plant and will replace the existing facility.
- **Location:** Kurri Kurri
- **LGA:** Cessnock
- **Value:** Estimate \$11.6 million
- **Jobs:** 20 during construction, 5 during operation
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Fox Studio - late night trading**
- **Approved:** 13 July 2001
- **Description:** A request by Fox Studio Australia Pty Ltd for late night trading until 3.00 am for selected tenancies, 7 days a week, and late night trading until 1.00 am on week nights and 3.00 am on weekends for other selected tenancies. It is also proposed to extend the operating hours the car park to half an hour after the last tenant closes each day.
- **Location:** Moore Park Showground site
- **LGA:** South Sydney
- **Details:** Copy of the [Minister's consent](#) (pdf file).
- **Kangaroo Valley feedlot**
- **Refused:** 28 June 2001
- **Description:** A request by Mirabooka Australia Pty Ltd to upgrade and expand an existing beef cattle farm for the purposes of an intensive beef cattle facility.
- **Location:** Kangaroo Valley
- **LGA:** Shoalhaven
- **Details:** Copy of the [Minister's refusal](#) (pdf file) and the [assessment report](#) (pdf file).
- **Relocation of Buildings and Subdivision, Boral Site, Greystanes (DA 348-10-2000)**
- **Approved:** 12 June 2001
- **Description:** The relocation of two office buildings and the construction of associated infrastructures and the subdivision of land
- **Location:** Part Lot B DP 33023 and Lot 5 DP 235064, Boral Site, Greystanes
- **LGA:** Holroyd
- **Value:** \$22.4 million
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Lucas Heights waste management centre modification**
- **Approved:** 5 June 2001
- **Description:** A request by Waste Management Service NSW to alter the receival levels and sources identified in the

original consent for the proposal (DA 80-04-01)
<ul style="list-style-type: none"> ▪ Location: New Illawarra Road, Menai ▪ LGA: Sutherland ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Sawmill upgrade, Oberon
<ul style="list-style-type: none"> ▪ Approved: 31 May 2001 ▪ Description: A proposal by Highland Pine Products Pty Ltd to upgrade the sawmill on Albion Street, Oberon. ▪ LGA: Oberon ▪ Value: \$27 million ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Syerston nickel cobalt project
<ul style="list-style-type: none"> ▪ Approved: 23 May 2001 ▪ Description: A proposal by Black Range Minerals to construct and operate a new open cut nickel cobalt mine and processing facility in central west New South Wales. ▪ LGAs: Forbes, Parkes and Lachlan ▪ Value: A 30 year plus project with a capital investment of \$340 million ▪ Jobs: 1000 during construction, 371 permanent employees and 100 permanent contractors ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Bayswater No. 3 colliery modification
<ul style="list-style-type: none"> ▪ Approved: 17 May 2001 ▪ Description: A request by Bayswater Colliery Company to allow haulage of coal along Thomas Mitchell Drive, New England Highway and Pikes Gully Road to continue for a further 8 months. this is to enable the completion of the Bayswater rail loader and loop. ▪ LGAs: Muswellbrook and Singleton ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Illawarra wastewater strategy
<ul style="list-style-type: none"> ▪ Approved: 18 May 2001 ▪ Description: A proposal by Sydney Water Corporation to consolidate the Bellambi, Wollongong and Port Kembla sewage treatment plants. Construction is expected to take 18 to 24 months. ▪ LGA: Wollongong ▪ Value: \$128 million ▪ Jobs: 75 to 100 estimated ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Pacific Highway upgrade: Karuah Bypass
<ul style="list-style-type: none"> ▪ Approved: 3 May 2001 ▪ Description: A proposal by the Roads and Traffic Authority to upgrade a section of the Pacific Highway in the vicinity of the town of Karuah. ▪ Location: 55 kilometres north of Newcastle ▪ LGA: Port Stephens and Great Lakes ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Mount Arthur North project
<ul style="list-style-type: none"> ▪ Approved: 1 May 2001 ▪ Description: A proposal by Coal Operations Australia Ltd (COAL) to develop a new open cut coal mine and associated infrastructure. ▪ Location: 3 kilometres south west of Muswellbrook ▪ LGA: Muswellbrook ▪ Value: \$539 million ▪ Jobs: 290 construction, 521 once operational ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
BHP multipurpose terminal
<ul style="list-style-type: none"> ▪ Decision: Approved 6 April 2001 ▪ Description: A proposal by BHP Limited to carry out site remediation work and construct and operate a multipurpose terminal in the closure area of their main steelworks site at Newcastle. ▪ Details: Copy of the Minister's consent (pdf file) and the assessment report (pdf file).
Modification to the Northside Storage Tunnel

- **Decision:** Approved 6 April 2001
- **Description:** A change to the Northside Storage Tunnel project to allow Sydney Water Corporation to create a Shelly Beach connection to the tunnel, in the Manly local government area.
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **South Bulga Colliery mine extension**
- **Decision:** Approved 19 March 2001
- **Description:** A proposal to extend the existing South Bulga Colliery underground coal mine to the south-east of the existing coal mining leases. This will allow the recovery of up to an additional 2.8 million tonnes of coal from the Lower Whybrow Seam, and provide continuing employment for 182 people. The South Bulga underground mine is approximately 15 kilometres south-west of Singleton in the Upper Hunter Valley and is wholly within Singleton Shire.
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Waste Management Centre extension**
- **Decision:** Approved 21 March 2001
- **Description:** Two proposals by the Waste Service NSW to extend the landfill capacity of the Eastern Creek Waste Management Centre in the Blacktown local government area.
- **Details:** Infill proposal (DA No. 192-06-00) to landfill up to 300 000 tonnes of waste over 6 to 12 months. Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file). Eastern extension proposal (DA No. 191-06-00) to landfill about 4.5 million tonnes of waste over 5 to 10 years from 2002. Copy of the [Minister's consent](#) (pdf file) and the [assessment report](#) (pdf file).
- **Upgrade of food processing plant, Smithfield**
- **Decision:** Approved 23 March 2001
- **Description:** Proposal by Goodman Fielder Limited to upgrade and expand their existing food processing plant at 28-54 Percival Road, Smithfield in the Holroyd local government area.
- **Details:** Copy of the [Minister's consent](#) (pdf file) and [Assessment Report](#) (pdf file)
- Figure 1: [site location](#)
- Figure 2: existing site plan
- Figure 3: proposed site plan.
- **Modification of Bulga coal mine operations**
- **Decision:** Approved 15 February 2001
- **Description:** Request from Bulga Coal Management Pty Limited to modify the original consent for their mining operations at Broke Road, Broke in the Singleton local government area. The approved changes relate to the timing of the commencement of the mining operation.
- **Details:** Copy of the [Minister's consent](#) (pdf file) and the [Assessment Report](#) (pdf file).
- **Warehouse development, Garden Island**
- **Decision:** Approved 12 February 2001
- **Description:** A proposal by ADI Limited to construct and use a warehouse for storing materials and equipment, and an area for parking and access, on the south east corner of Garden Island, which is within the City of Sydney local government area.
- **Details:** Copy of the [Minister's consent and conditions of approval](#) (pdf file)
What was proposed. [Image \(22K\)](#)
What was approved [Image 1 \(23K\)](#) and [Image 2 \(34K\)](#).
- **Modification of Nardell coal mine**
- **Decision:** Approved 5 March 2001
- **Description:** A proposed modification to Nardell coal mine operations in relation to coal washery rejects emplacements, water management systems and other minor amendments. The mine is in the Singleton local government area.
- **Details:** Copy of [Minister's consent](#) (pdf file), including the conditions of approval, and the Assessment Report (pdf file).
- **Western Sydney rail freight facility**
- **Decision:** Approved 19 December 2000
- **Description:** A proposal by the State Rail Authority to construct and operate an intermodal rail freight facility. The proposal includes a rail container terminal, a rail based grain receipt, a storage and processing facility, and a sand/sandstone recycling facility at St Marys in the Penrith local government area.
- **Details:** Copy of Minister's consent and the [assessment report](#) (pdf file).
- **Gerringong Gerroa sewerage scheme**
- **Decision:** Approved 22 January 2001

- **Description:** A proposal by Sydney Water to develop a new sewerage scheme for the towns of Gerringong and Geroa. This will involve the construction of a new reticulation system, including 11 sewage pumping stations and a new sewage treatment plant. The scheme is being built to accommodate an average dry weather flow of 2.2ML/day. An advanced tertiary level of treatment will be provided and the scheme targets a reuse level, on nearby farms, of at least 80% of treated wastewater.
- **Details:** Copy of [Minister's consent](#) (pdf file), including the conditions of approval, and the [Assessment Report](#) (pdf file).
- **Amendment to shipping controls at Port Botany**
- **Decision:** Approved 16 January 2001
- **Description:** A proposal by Elgas Ltd to install pipework and an ejector on the Port Botany Bulk Liquids Berth (amendment to shipping controls).
- **Details:** Copy of [Minister's consent](#) (pdf file), including the conditions of approval, and the [Assessment Report](#) (pdf file).
